About This Game

This is Elaine! A minimalistic tile-matching action game by Slight Super Powers. Frantically guiding your player tile around a sensile platform to match the incoming pattern in time. In this deceptively simple game, you'll have to deal with a shifting screen, multi-colored patterns of increasing speed and complexity, and an unrelenting countdown timer synced to brain-pumping music.

Features:

- six uniquely challenging levels
- highly addictive gameplay
- pulsing electronic soundtrack
- minimalistic game design
- obsessive global leaderboards
- accurate pantone color reproduction
- non-stop action
